TECHNICAL SKILLS

React.js, React Native, Redux, JavaScript, HTML, CSS, SQL, Python, Flask, PostgreSQL, Node.js, SQLite, Sequelize

PROJECTS

Trivia Titan <https://trivia-titan.onrender.com> | <https://github.com/LukeConnors/TriviaTitan>

A trivia game project with social aspects including reviews, profiles, and direct messaging.

- Designed a functional game that can be played while tracking user stats utilizing state management with React and Redux, allowing data to consistently be updated with each user answer to trivia.
- Implemented web sockets so users can send messages to one another in real time using Socket.io.

Pledge Palooza <https://pledgepalooza.onrender.com> | <https://github.com/LukeConnors/PledgePalooza>

A crowdfunding website that allows users to create, assign rewards to, back (donate to), like, and search for projects.

- Incorporated Amazon AWS bucket technology to allow image file upload for projects and rewards using a helper function on the backend that attempts an upload automatically.
 - Developed a search feature for projects using react's useEffect to listen for changes in input, and will dynamically update the search result as a user types.
-

WORK EXPERIENCE

TRANSPORTATION SECURITY OFFICER

Jul 2017 – Jan 2022

Transportation Security Administration (TSA), Chicago, IL & St. Louis, MO

- Operating x-ray technologies to search bags required critical thinking and analysis skills that needed to be done in very short durations. As short as 15-30 seconds per bag.
- Initiated clear communication between both passengers and coworkers to effectively clarify intentions and reduce confusion/tension.

DELI CLERK

Mar 2014 – Aug 2016

Jewel-Osco, Joliet IL

- Provided high quality customer service to shoppers. Included answering questions accurately and cordially.
 - Managed inventory and operated potentially dangerous machinery.
-
